

Death In A London Street

“Believers, make war on the infidels who dwell around you, deal firmly with them. Know that God is with the righteous” (Koran, 9:121-123). “If you do not go to war, He will punish you sternly, and replace you by other men.... (Koran, 9:39). The man who took a machete and beheaded a young English Soldier last week in a London street was being directed by the Koran-Muslim Bible. Can you think of a more vicious act than that? We may not be at war with radical Islam, and we aren't, but the radical Muslims are at war with us. They've been killing innocent people since the beginning of Islam. How long will it be until this radical religion beheads people in the streets of America. Remember 9/11? Remember the shooting at Fort Hood? Remember the Boston Bombing?

How any politician can put his or her hand on the Koran and swear to uphold the laws of Democracy is beyond me. Radical Islam is unacceptable in the home of freedom, and we must deal firmly but lawfully with any citizen or cult which attempts to rob us of our freedom and replace it with a dictatorship patterned after radical Islam.

God Bless America!
