Monday, March 17, 2008

Scarlett Gentry's third grade classroom, at Hermitage Springs School, raised \$1,900 at a cakewalk held on Saturday, March 15.

With over 150 in attendance, the fundraiser included a concession stand, face painting, games, fortune telling and tables stocked with both edible and valuable prizes for cake walk winners.

The money raised from Saturday's ticket sales will be used to make several major purchases for Gentry and teacher's assistant Teresa Gass' third grade classroom.
