

Saturday night, November 17th, marks the return of the West Macon County Rescue Squad's Annual Chili Supper & Raffle. The event is slated to begin at 5:00 p.m. in the new squad building located at 3080 Rocky Mound Road, in the western sector of the county. All proceeds will benefit the new building, along with supplies and training costs.

Established to maintain and protect the people of our county, West Macon County Rescue was organized in August of 1993 at 29 Hawkins & Rocky Mound Road, in an old garage building with no running water and heat. Dedicated to meet the emergency needs of the folks in that area, the county commissioners argued for the funds to purchase property and build a new facility. Construction began on July 5 of this year and although they have not officially moved, they hope to be settled in by the weekend following the fundraiser.

"Our 16-member squad has been doing all the interior work," said 2nd Lt. Kimmy Warf. "After our regular day jobs, we have been working until 2:00 a.m. in the morning."

Lt. Warf says every minute is worth it as their dream of a new building is finally coming true.
