Blue skies and a nice temperature graced Macon County on Saturday, April 13 as “Rockin’ For Relay, Rollin’ Over Cancer” raised almost \$1,800 for Macon County Relay For Life.

The event was sponsored by Tamra Coley Friends & Family and was held at the Macon County Fairgrounds. A fun filled afternoon and night was enjoyed by everyone who attended and Tamra would like to thank Pastor Mike Carson, Terri Lynn Weaver, Jason Gammons, MaMa Tried, The Glue Factory, Super Nova-Cain and all the people who donated. “I would like to congratulate Tamra on a successful fundraiser for the American Cancer Society.” (Photos by D.
