The Macon County High School Marching Band performed for the third time at Disney World in Orlando, Florida last Friday, April 19.

They left the MCHS parking lot on Wednesday, April 17, on a coach bus from Taylor Tours headed for the Embassy Suites in Orlando. The band members worked hard raising money for the trip and they were eager to head to the sunshine state, when I stopped by the school to take a few pictures of their departure last week.

Director Shawn Mitterholzer had told me previously that this was one of the best performing groups he'd had in recent years. He also said they were self motivated and driven, and he was extremely proud of this wonderful group of young musicians.
