We will be having a football rules meeting on Sunday July 8 at 3:00 at the high school football field on Meador Drive. This will be for both the 6-8 division and the 9-12 division in football only. All coaches are urged to attend and each team needs to be represented as there will be issues to be voted on.

The 6-8 football draft will be held on Monday night July 9 at 7:00 at the football field and the 9-12 division will be held on Tuesday night July 10 at 6:00 also at the football field. Each team will need to be represented during the draft or a league official will pick your team for you.

Any one that is still interested in playing football can sign up until these draft days. This can be done at All About Sports on the square or you can call 666-7230 for more information.

The flag football draft will be held sometime after this also and kids can still sign up for this division until that date.

Also the cheerleading draft will be held after the football drafts and kids can still sign up for this through the month of July.
