The RBS Bulldogs were on the road this week as they traveled to Gordonsville to face the Tigers.

As the game got under way it was very noticeable that the Tigers were indeed a very good football team. But with that said the Bulldogs still played a very hard and tough game of football, just unable to get any defense up and going in the game. But, after a numerous amount of touchdowns by the Tigers , the Bulldogs finally got on the board with a run for a touchdown by

number Ty Tuck. Unfortunately, this was the only score for the Bulldogs making the score at the end of the game 54-7.

I apologize as I was unable to catch up with Coach Shoulders after the game this week. We will make sure to get his thoughts after next week's game. After this loss it moves the Bulldogs to a 3-3 record and 1-3 in region play. This moves the Tigers from Gordonsville to a record of 5-1 and 5-0 in the region.

Bulldog fans make your way out to the game this coming Friday Oct. 5 as they will entertain the Wildcats of Monterey High School in yet another Region 4 football game.
